Dear Association Leader,

On behalf of the Oahu Baptist Network Leadership Council, and the Director of Regional Ministries of the Hawaii Pacific Baptist Convention, Robert Miller, we would like to invite you and your Association leadership to join the meet and greet with other associations via zoom on March 6, 2023, 2pm (HST).

Our goal is to get to know other associations' leadership with the hope that we can encourage, support and broaden partnership.

We completely understand that some of you may be busy at this meeting hour, so please extend the invitation to the rest of your leadership to represent your group. You can have your whole leadership attend if they are available.

Each association has seven minutes to introduce themselves, their leadership, and items we can be of prayer for each other. Here are the details of the meeting.

What: Associations Meet and Greet

Where: Zoom, ID # 808 227 2953 (no passcode)

When: Monday, March 6, 2023, 2pm (HST)

You may go to oahubaptist.net/associations for the latest update or email Robert Miller at Robert@hpbaptist.net.

Mahalo pumehana,

Bong Abagon
