Aloha Oahu Baptist Network Churches,

Attached you will find the **proposed 2026 Oahu Baptist Network Constitution and By-Laws** for your review and prayerful consideration.

The OBN Leadership Team has worked carefully on two major areas of revision. First, we have sought to ensure that the language reflects appropriate **legal and organizational requirements for the State of Hawai'i**. Second, **Article VII of the By-Laws** has been revised to clearly identify the current OBN Leadership Team as the **Board of Directors**, using language consistent with the requirements of the State of Hawai'i and the federal government.

We ask that you **take this proposed document to your congregation**, review it together, and prayerfully consider the changes. We will come together at our **OBN Annual Meeting on October 23, 2026**, where we will review and approve the proposed Constitution and By-Laws.

If you have questions or would like additional information before the Annual Meeting, please feel free to contact any member of our **OBN Administrative Team**. Their contact information is provided below.

Thank you for your continued partnership, prayer, and commitment to your association of the Oahu Baptist Network.

May God richly bless you and your church as we continue to serve Him together.

In Christ,

Pastor Michael "Bong" Abagon
